Dear Rick,  
What a soft pine in  
your first pine in  
my life. I'm at a loss  
for words. I think at other  
times this situation would  
have been a greater blessing.

I suppose that if it weren't  
for you, I'd be back in Denver, basking out in the good  
old sun, and talking to 2 or over my male problems.  
Sounds enjoyable, huh? But then, I must realize that  
I did meet you (and how!) and I'm not in Denver (thank  
Heaven) and in two more days I'm going to be in a very  
bad way. Well, eat vita! or 2 or armour! whichever.

Again, if you didn't own a canoe, I might  
never have run into you! (unless I, by chance, skussed  
over your new red Kaddy skins out at Winter Park, and  
you cussed at me in your irresistible voice and I  
came to apologize) and then I would have spent a  
very dull year (rather summer) at the Lake.

The times we had together this summer  
were wonderful. (I hope you understand how  
hard it is to express these things in words.) I'll  
be very hard to forget the miniature golf, the movies,  
that fabulous Lake Lawn dance. I've never had  
a more wonderful time at a dance in my whole  
life. You are a great dancer, by the way. I'm going  
to have to learn how to follow your odd dance  
patterns.

Do you remember that C regatta  
in Delavan? We were Joe & Mary  
Collegiates! That was on  
Wednesday & Thursday.  
Then we painted  
your house  
and I →  
(back in the  
middle)

Hi Rich

Even though our lunch table was unbearably crowded, it was still lots of fun, wasn't it? Maybe we can do it again next year (I must be crazy to want to get in that mess again.)

It was fun at O'Henrys the other night. Thanks a lot. I always felt out of it because I didn't know what O'Henrys was. Now (thanks to you) I feel "in it".

I'm sorry if you think I laugh at you all the time because I DON'T! (just sometimes). Also, I'm sorry I can't keep my balance very well. (do ya know what I'm talking about?)

I'm glad you and Bev hit it off so well. She was so neat that I certainly don't wonder why you did. This summer when she comes up I'll let you know, cause I'll have to fix her up with dates.

Do good in all you do and you'll go a long way, Rich.

Love,  
Karen (Zink)

# *"Life Is Before Us"*

Looking back on four years in Hinsdale Township High School, the seniors have experienced continuous changes in the student body, the faculty, and the building.

As freshmen, the Class of 1958 observed a new wing being built to provide new mathematics and history classrooms. When they were sophomores, the seniors saw a water tower rise directly south of the school. This year, they have been assured by the support of the qualified voters of the district that more classrooms and a swimming pool will be completed by 1959. These new facilities will be enjoyed by students for years to come.

Contemplating their future, seniors are entertaining thoughts of college, work, and marriage. Each member of the graduating class will take that course for which he is best suited and in which he is most interested. Opportunities will be forthcoming, for this is the pattern of Life.

Life lies ahead. Whatever the graduates do will affect them not only as individuals but also as members of society

The warm friendliness of the student body;  
the playing courts;  
the moments of quiet reflection—  
all these have marked the spirit of  
Hinsdale Township High School.

# *Learning has been a goal...*

Time effectively spent is amply rewarded in the feeling one has in accomplishment. Graduation has become a symbol of the philosophies discussed, the theories written, the readings planned, the paintings produced, and the practical arts pursued.

## *Student Council*

The Hinsdale Student Council is an all-school organization whose responsibility is to provide opportunities for the exercise of good citizenship in a democratic society. The main purposes of the Student Council are to govern student activities, to promote good feelings between the faculty and student body, to provide students with an active part in student government, and to promote inter-school and school-community relations.

The Student Council Board is the nucleus of the Student Council; it is the job of this Board at each weekly meeting to act on ideas submitted by students following discussion in homerooms. Suggestions are those involving projects for the betterment of the school as a whole.

The Board is made up of the five annually elected officers (Baird Smith, president; Preston Davis, vice-president; Donna Zimmerman, secretary; Mike Garber, treasurer; and Denny Downing, social chairman); the four class presidents (John Chapman, senior; Patricia Lindsay, junior; Tom Chapman, sophomore; and Bob Parsons, freshman); and the five members-at-large (Lynn Dilworth, senior, Bob Heller, junior; Karen Zink and Dick Holmberg, sophomore; and Margot Telling, freshman). The sponsors are Miss Helen Hadish, Miss Carolyn Wagner, Mr. Marlowe Hartzel, and Mr. Charles Meyers.

Student Council is a member of subdistrict, district, state, and national Student Council associations and is very active in each one. Student Council conventions on all levels are attended by Hinsdale students chosen from the student body. Hinsdale Student Council representatives at conventions frequently lead group discussions on pertinent student activities or problems or are members of panels.

The Student Council is in charge of the used book sale in the fall, Freshman Initiation, Homecoming, the Variety Show, Student Council elections, and many social hours.

The club meets every week for another session in higher mathematics.

# "Hanging of the Greens"

It has been a custom since HTHS had its first class to decorate the school at Christmas. Monitors and Student Council Board members have observed the custom of providing a beautifully decorated tree in the Community Room.

Many classrooms likewise have a tree, keeping with the habits of classes that meet here. There's always a "book" tree also in the library. This is a tree that evergreen decorated with books and book prizes.

In keeping with the Christmas traditions, the most delightful projects are those that result in gifts for the Christmas celebration period.

## Stenos Club

Stevens College is offering the gifts from the six-week program and short-term classes. The courses of the lab are designed to interest a young audience and to further the business experience of the girls. One of the annual highlights of the year is the Christmas party. ## Varsity Football

The Red Devils of HHS again placed high in the WSC, with a tie for second place with LaGrange. Coaches Harvey Dickinson, Robert Thomas, Jack Stockles, and Robert Frey then were not at all disappointed in the showing of this fine team, although they certainly ended up one notch lower than last year's squad.

They opened their season's play by running Toler 13-0. They went on to down Glenwood 25-6, and to shut out LaGrange 13-0. The night game with Arlington Heights was lost 20-14, but the Devils bounced back by whipping Riverside-Brookfield 30-6 on Homecoming. York was next to fall 32-0. The most important game of the season against undefeated Maize was lost by the slim margin 13-13. The season's play was capped by beating Downers Grove 25-0. The Devils' total points for the season was 200 as compared with their opponents' 50.

All Conference players were Norm Clement at center, Tony Cunningham at fullback, Dan Pozylala filling the quarterback spot, and Sandy Walton at tackle. Honorable mention went to end Ernie Treptow and fullback Dick Kark. Norm Clement was named the most valuable player and he was elected to the All State Football squad.

# *Frosh-Soph Football*

The Imps of '58 fought their way to a 5th place standing in the West Suburban Conference with 4 wins, 3 losses, and one tie. The boys worked hard under the fine coaching staff of Russel McCarthy, Larry Hoff, and Dale Foster.

In their opening game they swamped Joliet 24-6, but lost their first conference game to Genoa 7-0. They came back by tying a tough LaGrange team 13-13, and trouncing Riverside Brookfield 33-13. Unfortunately, The Imps stayed on the winning track by shutting out York 18-0, and upsetting Maine 18-13. In the final game they lost a heartbreaker to Downers Grove 14-13.

Outstanding players who are expected to join next year's "Red Devil" squad in their fight for another conference title are Joe Stronach, Al Dukovich, and Ron Sinkuler.

Due to the large number of freshmen who went out for football it was necessary to organize an A team and a B team so that more boys could actively participate. Coaches Clare Riessen and Paul Atkinson were very proud of the records of both teams. The A team won 6 and tied 1 while the B team won 5, lost 1, and tied 1. Some 61'ers who will form the nucleus of next year's frosh-soph squad are: Harold Brandt, Jerry Kucera, Jim Carmignani, Jim Flynn, and Terry Rustoven.

## Wrestling

#### Varsity Wrestling

Hinsdale's Varsity grapplers were under a disadvantage early in the season due to injuries, but picked fifth in the Conference with two wins and four losses while setting a four and ten season record. Coach Trevarthen's top men included Tom Condit, Dick Kalicki, Bob Wayt, Dean Sammons, and Tom Litvay.

#### Frosh-Soph Wrestling

The Frosh-Soph matmen had fought to a 7-6-1 record at the time this yearbook went to press. Coach David Hunt felt that injuries to key men halfway through the season were likely to hamper the squad as a whole. Dave Clark took first place in the Reavis Frosh-Soph Tournament.

# Varsity Basketball

Hosdne's Varsity cagers, coached by Larry Hoff, had fought to a fifth place standing in the Conference which was one of the tightest in many years, at the time this copy went to press. The Red Devils had won ten and lost nine thus far this season and had the differences in scores for six of their matches totalled only nine points. Bob Celusta and Tony Carrizman topped the Harsdale scoring column throughout the season. HJ has high hopes for a championship team next year with the success achieved this year by the Jammers.

Coach Jack Stickels' Freshman Basketball Squad had a good season in '66. At the time this edition of the yearbook went to press they had racked up six wins and seven losses with a three and two record in conference play. The team seems ready, willing, and able to step into the role of JHS' top next year. Bob Parsons proved himself as a star during the season's competition.

# Tennis

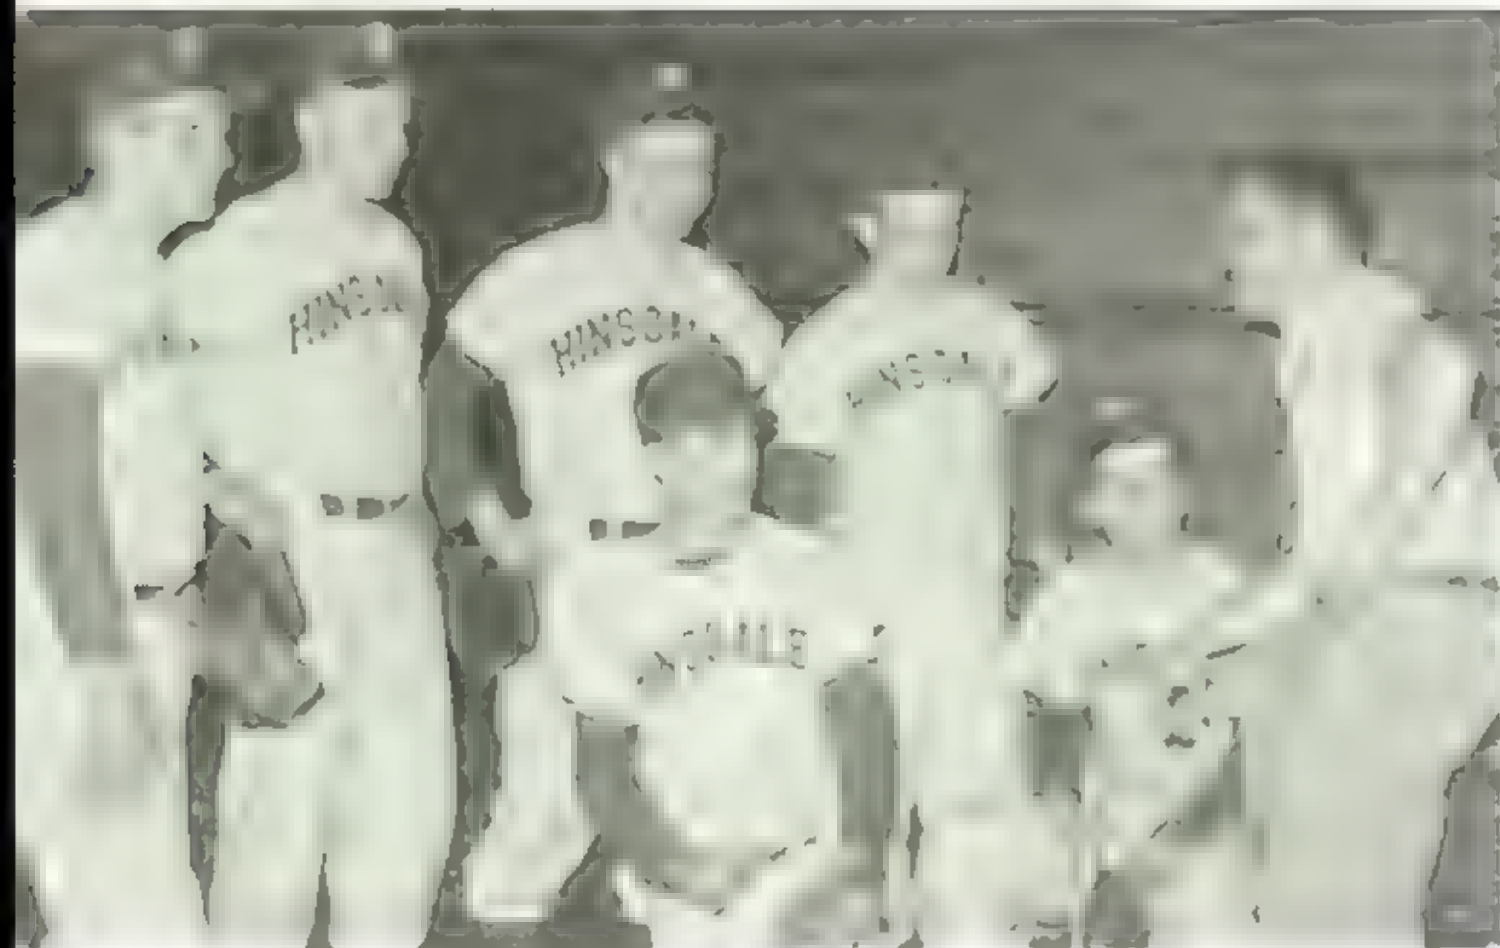

The 1954 tennis team successfully completed another highly outstanding season with the varsity team setting two new West Suburban Conference records, one by scoring a 50-0 total, and the other by never dropping a single set. "Riessen's Racketeers" swept the district for 14's sixteenth straight title and went on to win the State Championship. Marty Riessen fought his way to fame by being the first freshman ever to win the State singles title and the first person to complete a season without losing a set. John Fischetti and Don Thorne played magnificently to win the Francis Douglas championship. Other varsity players were Dick Pease, Brooks Goddard, Rick Emerson, and Paul Farchett. Coach Cary Riessen will undoubtedly continue to develop champions.

## *Freshman Governing Board*

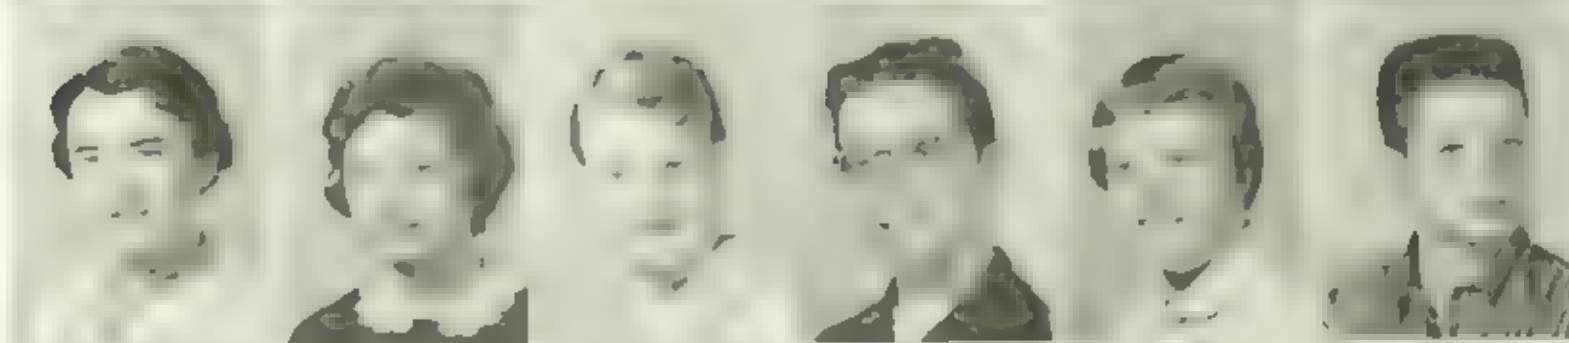

For every thirty or 20th grade students entering HT in the fall, one person is elected to represent this group on the Freshman Class Governing Board. If some "feeder" schools have less than thirty but more than five students, they too elect one person to represent them on the Governing Board. The elections take place in the spring of the year preceding the entrance of the class into HT.

Vern

kept telling you  
what a sloppy  
job you were doing so  
you finally let me do most  
of it. I still have paint on  
blue burrhead and on some of my  
shirts. I'm beginning to think that those  
cobwebs and little bugs are nesting in some of  
my clothes. They kind of felt all over when I brushed  
them out of the overhang. Next summer will have to  
paint the pier, paint the new porch, fix up the stone wall,  
and make that gate open; I don't want to become one of those women  
hurdle stars! Will have to go sailing a lot more, too. This winter I'll  
read up about sailing so that maybe we can have one race together  
next year. One thing is for sure; if you come up to winter park,  
we will ski together (if I can keep up with you) and really have  
a blast. Maybe I will be able to ditch school for a few days and  
stay up at Timberhouse. If it is all possible, I'll make you that  
sweater, but by the time I finish it, most likely, will be way too  
small.

It seems that everything I write has absolutely  
nothing to do with anything previously said. I guess maybe  
I should stop while I'm supposedly ahead, but I can't  
quit now, because, Rich, I haven't said anything I wanted  
to say. Really, all of the other things aren't very important  
and I guess I shouldn't have wasted all that space on  
a lot of worthless chatter. But, I guess, that's me; lots  
of gabble and not much of anything discussed.

Do you know what is really odd, though? It's  
sort of amazing that even though we live a thousand  
miles apart, we are alike in so many ways. Even my  
next door Denver neighbor and I don't have as much  
in common. It was really beginning to get me  
down when I couldn't talk to anyone about skiing.  
And then when I would tell Pat Paul that I  
first had to get some skis on, she  
would look at me as if I were  
really neurotic. I was  
positively flustered
